

May 7, 2021

Dear Solidarity Pool for Social Justice

Because of your support we are able to continue working in Idaho for social, economic and environmental justice on behalf of all Idahoans! Your generous contribution this year valued in the amount of \$100 ADA goes a long way toward supporting our shared vision for Idaho and advancing justice in our state. We couldn't do it without you!

Thank You,

A handwritten signature in black ink, appearing to read "Adrienne", with a stylized flourish at the end.

Adrienne
